MEMORANDUM FOR THE DIRECTOR

1. This memorandum recommends action in Paragraph 4.
2. Bob Donovan asks for an interview so that the N.Y. HERALD TRIBUNE may do a farewell story. He would not ask any questions on Cuba, or espionage, etc. but would discuss your life, your brother, your sister, etc. so as to get a friendly Allen W. Dulles story. If you wish he will submit the copy for your editing and approval.
3. I believe this would be a beneficial story to the Agency and to the DCI and his family.
4. Recommendation: That you see Bob Donovan at your convenience.
